Ms. Elizabeth Adams
Acting Director, Air Division
United States Environmental Protection Agency Region 9
75 Hawthorne Street
San Francisco, CA 94105

Dear Ms. Adams:

The District has completed its evaluation of the renewal application for the Major Facility Review Permit for the following facility:

Application Number	Facility Number	Facility Name	Address	Type of Operation
27200	B5574	Valero Refining Company - California	3400 East Second Street Benicia, CA 94510	Special Warehousing and Storage

The District has made a preliminary decision to issue the renewal Major Facility Review Permit, but the final decision on the permit issuance will consider public and EPA comments on the proposed permit. The notice inviting written public comment will be published in the Benicia Herald. The final date for members of the public to submit comments is October 15, 2018.

After the District has considered all public comments and made any necessary changes to the permit in response to those comments, the permit and statement of basis will be submitted to EPA for their 45-day review period.

The proposed permit and statement of basis can be viewed on the BAAQMD website at: <http://www.baaqmd.gov/permits/major-facility-review-title-v/title-v-permits>. We will also send the documents to you via the Electronic Permit Submittal System. If you have any questions regarding this project, please call Dennis Jang, Senior Air Quality Engineer, at (415) 749-4707.

Very truly yours,
